REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

As to claims 1-18, 20-37 and 39-40, the prior art of record does not teach or render obvious the limitations recited in claims 1, 23, 26 and 27, when taken in the context of the claims as a whole, specific to the application integration layer comprises at least three styles of integration including a first style that provides a shared application architecture and a shared content among access channels, a second style that provides a shared content among access channels but utilizes a unique application architecture for each of the access channels, and a third style that provides a unique application architecture and unique content for each of the access channels.

Moreover, evidence for modifying the prior art teachings by one of ordinary skill level in the art was not uncovered so as to result in the invention as recited in claims 1, 23, 26 and 27.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Diem K. Cao whose telephone number is (571) 272-3760. The examiner can normally be reached on Monday - Friday, 5:30AM - 2:00PM.
